

# **DID YOU ENJOY THE PEACE & QUIET WHEN THE PLANES STOPPED FLYING?**

**HAS THE RETURN OF FLIGHTS DISTURBED YOU?**

**If so it's important to raise awareness to Luton Airport of aircraft noise, pollution and the Climate Change effect.**

## **BUT WHAT CAN I DO?**

100 complaints from 1 person is just not effective.

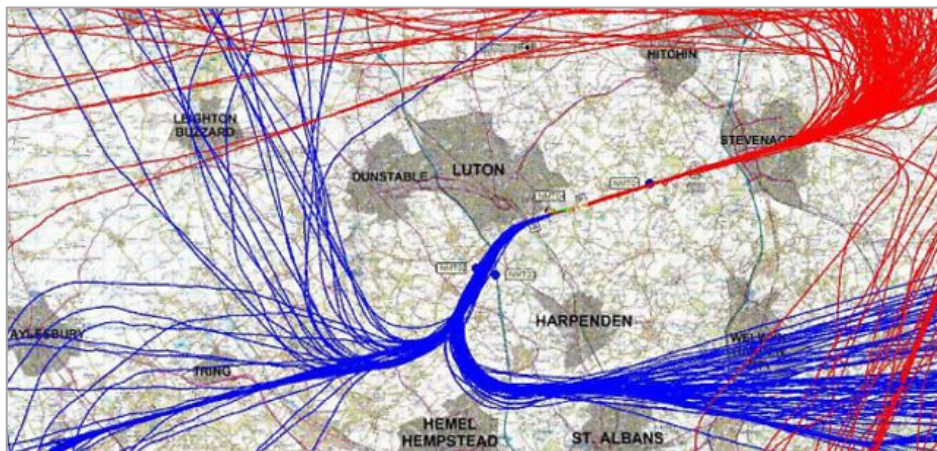

**1 complaint from 100 people is!**

If you feel you have been unreasonably disrupted by an aircraft being off route, too loud, too low or disturbed your sleep in the night or early morning

**You can complain RESPONSIBLY by contacting Luton Airport:**

## **Here's what to do :**

This map shows the flight path ALL aircraft must take :

**Blue for Departures** : **Red for Arrivals**

### **Follow these easy steps to make your complaint to Luton Airport:-**

1. **Download** the App [Flightradar24](#) to your phone or tablet to locate the flight details
2. **Email** the details of the Flight date & time, the reason for complaint with your name, postcode & phone number to: **[noise@ltn.aero](mailto:noise@ltn.aero)** or
  - a. on their own tracking system “Travis” <https://travisltn.topsonic.aero/>
  - b. or google “Luton Travis” and follow instructions

Further details are available on the LADACAN website [www.ladacan.org](http://www.ladacan.org)
